Karren Wallace
Chair, NDACT

Dear Karren,

I am writing on behalf of the executive leadership team and officers of Strada Aggregates Inc. to formally acknowledge our support for the agreements established between Strada and the North Dufferin Agricultural and Community Task Force (NDACT). We wish to reaffirm our commitment to a cooperative, science-based decision-making process in all matters related to our joint efforts.

As you are aware, Strada Aggregates Inc. and NDACT entered into a significant partnership, underscored by the mutual understanding of the importance of preserving and protecting the environment, social, economic, and cultural characteristics of North Dufferin County. This partnership reflects our shared commitment to sustainable development and community engagement.

Our executive leadership team and officers fully endorse the principles outlined in our agreements, including the commitment to science-based decision-making. We believe that sound scientific analysis and evidence are paramount in guiding our actions and ensuring the responsible development of our projects.

Furthermore, Strada Aggregates Inc. remains dedicated to supporting the community through initiatives such as the Strada Community Recreation Fund and the Wells and Natural Features Protocol, as detailed in our agreements. These initiatives reflect our ongoing commitment to the well-being of the community and the responsible management of our operations.

I want to express our gratitude for the positive working relationship we have developed with NDACT and the broader community. We look forward to continuing our cooperative efforts and ensuring that our actions are guided by the best available scientific information available.

Thank you for your dedication and partnership.

Sincerely,
